

## **Route 66 Business Reopening Guide – September, 2020**

A revisable list of existing brick and mortar Route 66 Businesses with their status and information.

Any information is subject to almost daily changes, so before visiting, please call just to be sure!

Lastly, remember, it's not the destination ... but the journey along the way ... please get off the Interstate!

**\*\*As many mom and pop Route 66 Businesses and Museums are remain Closed, are Closed by state mandates, or are in danger of Closing due to a lack of traffic traveling 66 due to covid fears ... please try and visit their online stores and web pages!! Many of those Online Stores have been added (in red) just after their Business Listing for your convenience!!**

**\*\*WARNING:** The temperatures are extremely hot in the Mid and Southwestern United States right now. Please be advised and aware, and make sure you have plenty of fluids available for hydration, wear sunscreen and pace yourselves and your activities accordingly.

**\*\*DINE IN RESTAURANTS:** While some Route 66 Restaurants remain open for inside dining ... many are reporting that they are carry-out, delivery or curbside pickup only. New Mexico will begin enforcing no inside dining, with outside dining at only 50% capacity effective Monday, July 13<sup>th</sup>. Please do not be disappointed with businesses that are trying to protect your health and/or who may be complying with a state or city mandated health order. Thank you for your understanding, remember to tip restaurant employees, and consider this ... picnicking was the popular way to receive nourishment during the heyday while traveling Route 66!!

**\*\*FACE COVERINGS UPDATE:** Most all states and cities along Route 66 have announced health orders to wear a face covering, covering your mouth and nose, when in public. Please also practice all CDC recommendations as you travel Route 66. Safety First!

### **ILLINOIS :**
