NEW MEXICO:

*Old 66 is PERMANENTLY CLOSED between Hwy 6 (south of I-40) and west to the Mesita Exit due to a poorly planned NMDOT detour that completely ruined the fragile 1930's Route 66 roadbed and almost collapsed two 1930's wooded bridges along this historic Route 66 alignment.

*Paved Route 66 west of the Mesita Exit is OPEN and travels past Owl Rock and Dead Man's Curve and on further west.

*Route 66 from Exit 8 of I-40 is OPEN through to Lupton and Arizona!
